

Student School Uniform & Dress Code

CORRECT SCHOOL UNIFORM MUST BE WORN AT ALL TIMES

School uniform is considered very important at Wingate School. Students are expected to respect the uniform and dress code and take pride in their appearance. Students must understand that out of school, when in uniform, they represent Wingate School.

Each part of the school has its own particular Uniform and Dress Codes. These can be found on the school website under each part of the school drop down menus 'Information for Parents' section. The Sixth Form Dress Code can be found within the Prospectus.

All items of school uniform, except footwear and the boys' black trousers, can only be purchased from the School Uniform Shop. This is open from 08.45 - 09.30 on Thursday mornings. You may place an order with the school office at any time and the item will be supplied as soon as possible.

All items of school uniform **must** be named.

To and From School

Students must wear correct school uniform to and from school. However, they may wear PE kit to school if they have PE or sports during that day. Students attending a special event or activity immediately after school must obtain permission from a senior teacher to change out of school uniform to leave school.

In exceptionally cold or wet weather a single colour, dark - preferably black topcoat (**not hoodie**) may also be worn to and from school but this must be removed during lessons. Non school sweatshirts or hoodies are not permitted in school. If a student wears one to school, it must be removed immediately on entry into school

The wearing of any jewellery is not permitted during sport or PE lessons. Please refer to the H&S Curriculum Policy for more details.

Exceptions

If there is a serious medical reason for a child not coming to school correctly dressed, allowances will be made but must be supported by a medical certificate. Students with foot problems such as in-growing nails or blisters will be allowed to wear slippers or an open flat sandal on the injured foot if they have a medical note from their parents or doctor. Medical advice suggests that trainers are not an advantage to quick healing.
